

THE KILBURN

Functions

The Venue

The Kilburn lies within a beautiful heritage building in Hawthorn, sitting on the prominent corner where Glenferrie Road and Burwood Road intersect. The Building was designed by architect E.G. Kilburn, who's short life was committed to cultural and architectural expression, and it is on the register of the national estate.

The modern interior provides a warm and inviting backdrop for any corporate gathering or celebration. With a capacity of 200 people and open plan design, the Kilburn can accommodate functions of various sizes and can be tailored to your needs.

An intimate room designed specifically for our custom whiskey and cocktail classes can accommodate a group of up to 30 individuals.
