THE LIBRARY

There is no other space in Sydney like The Library. The Library features a working fireplace, bookshelves and a private bar – ensuring a more intimate and private experience. Complete with amazing views of Sydney harbour and the city skyline, The Library has a separate VIP lift access from street level, for quick and concealed entry. The Library also features its own bar, DJ booth and LCD screen, creating a space of pure decadence and exclusivity. The space is designed to host less than 100 people so it is the perfect venue for smaller events, such as Birthday Parties, Christmas Parties and Cocktail Parties.

- Decadent interior styled with book shelves, a fireplace and unique sculptures and art work
- Premium street level entry with private lift access to the top floor venue
- Floor to ceiling glass walls with stunning views of Sydney’s city skyline
- Intimate event space suited for up to 100 guests
- Multiple entry points including direct street level access
